

Key deliverables of the Africa-EU strategic partnership (February 2010)

The set of actions below offers a sample of the early deliverables and first results of the Africa-EU Joint Strategy and the 2008-2010 Action Plan

Peace and Security:

- Enhanced **political dialogue at the continental** (meetings between the **AU Peace and Security Council** and the **EU Political and Security Committee**), **regional** (regular exchanges with ECOWAS on the situation in countries such as **Mauritania, the Republic of Guinea and Guinea Bissau are cases in point**) and **national** (**Art. 8 Cotonou Agreement**) levels.
- **€ 1 billion** of EU funding in support of African Peace and Security¹
- EU support for the **African Peace and Security Architecture** through:
 - **trilateral AU-RECs-EU Roadmap** on the full operationalisation of APSA
 - the **operationalisation of the African Standby Force**, including support to **African training centers**
 - the **implementation of a common interactive watch and anticipation mechanism** (MIVAC) to strengthen the Continental Early Warning System;
 - additional **financial support to African-led Peace Support Operations**
 - cooperation on disarmament: **joint conference on Small Arms and Light Weapons**
- In G-8 and UN-context, EU plays key-role in enhancing the predictability, flexibility and sustainability of funding of Africa led Peace Support Operations, in particular on the **follow up to the AU-UN Panel Report** led by the former Commission President Prodi.

Democratic Governance and Human Rights:

- Cooperation in the area of **electoral observation**: support to **AU's Electoral Assistance Fund (€1M)**, AU observers' participation in EU Parliamentary elections in June and in Germany, as well as training of AU observers in EU EOMs.
- EC funded workshop will be organised to develop a common approach on the **"Platform on democratic governance and human rights"** with key stakeholders, including experts from African capitals and 30 civil society representatives from Africa and Europe.
- Joint initiatives similar to the April 2009 **Africa-EU Civil Society Human Rights dialogue**, which tackled difficult issues such as torture and the freedom of association, or

¹ In addition to the EDF/2ndAPF= €300 m + €300 m, in reserve; EDF-RSP = €200 m, + EDF national programmes, an estimated € 200 m is dedicated to Africa through non-programmable funds and less easily quantifiable funding sources such as envelopes dedicated to peace and security in EDF national programmes, ENPI national programmes, EC-Instrument for Stability short and long term funding or ECHO funding

the joint Africa-EU **event on women and conflict (UNSCR 1325)** organized at the margins of the UNGA in September will be planned in other areas as well.

- **Political and financial support for the African Peer Review Mechanism** is provided through an increased **Governance Incentive Tranche (€2.7 billion)** and support to 'national programs of action'. The EC is contributing **€ 2 M** to the **UNDP-managed Trust Fund** to support the **APRM Secretariat** and has provided support to some national APRM Structures.
- **EC-sponsored Colloquium on culture and creativity** as vectors for development (April 2009) has been organized. **38 African ministers participated** at the colloquium, which yielded concrete recommendations for reinforcing actions in the area of culture and development.

Trade, Regional Integration and Infrastructure:

- In the area of African integration the following achievements have been made:
 1. Regional Integration gained momentum with strong commitments taken by COMESA-EAC-SADC to align and harmonise their respective Integration Agendas through the Tri-partite process.
 2. The 3 regional programmes signed between African regions and EC for the period 2008-2013 represent **€1.5 billion**: Eastern and Southern Africa (€645 m); West Africa (€598 m); SADC (€116 m), Central Africa (€165 m).
 3. The **African Charter for Statistics was adopted** in February 2009 by the Heads of State and Government of the AU. It provides a policy framework and an advocacy tool for statistics in Africa.²
 4. On regional policies and cross-border cooperation, an **AU Border Programme Regional Workshop** took place in Ouagadougou on 23-24 April 2009 and similar workshops will take place in Libreville and Windhoek.
- In the area of Infrastructure, the following achievements have been made:
 1. EC Vice-President responsible for transport participated in the **Feb. 2009 AU Summit infrastructure debate**. The engagement between the two continents through the Infrastructure and Energy Partnerships was highlighted in the Summit Declaration. This enhanced engagement will be supported by some **€3 billion** (10th EDF NIPs).
 2. With respect to the **Infrastructure Trust Fund**, financial contributions from the **EDF and 13 EU Member States amount to €165 m** in the form of grants; **an additional €200 m** will be available under the intra-ACP funds. Since it became operational, the Trust Fund has agreed to support 12 regional projects for total grants of **€77 m**, leveraging a total project financing around **€1 bn**

² The Charter also assures statistical quality and comparability for economic and social integration; coordinates statistical activities and statistics institutions in Africa; builds institutional capacity in statistics and ensure operational autonomy; serves as the best practice framework for the African statistician professional; and promotes culture of evidence-based policy formulation, monitoring and evaluation

- The AU Commissioner for Rural Economy and Agriculture and the European Commissioner for Health launched a **high-level conference on the harmonization of sanitary and phyto-sanitary (SPS) measures**. The conference was preceded by a 4-days training course for African experts on "Better Training for Safer Food Africa". Training activities for small and medium enterprises (SMEs) is now being implemented in Africa with a total budget of around **€10 m** (until the end of 2010)

MDGs

Food Security:

- **€1 billion** mobilized through the **EC Food Facility**, of which approximately **€560 m** is **destined for Africa**. Other allocations under the EDF: **€200 m** that benefit approximately **30 African countries (B-envelop)** and the **Food Security thematic programme** (approx. **€220 M** per year with **more than 40% destined to Africa**, and much of the **remaining support global programmes and initiatives** which benefit Africa, too). Under this thematic programme, a series of concrete activities agreed in Lisbon are being financed:
 - Support to the Forum for **Agricultural Research in Africa (FARA)** and African sub-regional research organisations; the EC alone has mobilised over **€45 m** for agricultural research.
 - Progress in implementation of the **Comprehensive Africa Agricultural Development Programme (CAADP)**, including through a **Multi-Donor Trust Fund** with funding from **EC (€5 m), the Netherlands (€5 m)**.
 - Strengthening of **regional farmers' organisations in East, West, Central and Southern Africa** through a project that started in early 2009 (**€5 m**).

Health:

- EU has contributed to the Global Fund to fight AIDS, Tuberculosis and Malaria (GFATM), with the EC alone providing **€ 100 m per year in 2008 and 2009**, and **committing 9.5 million in 2008 to the Global Fund for Vaccines and Immunization**. Africa has received some 60% of all GFATM financing since 2002.
- The EU supports the review processes of the **Maputo Plan of Action on Sexual and Reproductive Health** and rights of African countries. AU and EC representatives are working together with civil society and international partners to learn from best practices; mobilize resources; and secure a recommitment by African ministers and Heads of State.
- **€121 m³** being allocated to health research with **€27 m** dedicated for **neglected diseases**. The 4th call of FP7's Health Theme (July 2009) includes a call on- "Better health for Africa" - with an indicative budget of **€39 m**. This call builds on the Global Ministerial Summit on Health Research held in Bamako (Nov. 2008) and collaboration with WHO.

Education:

- The EC has contributed to the catalytic Fund of the **Education for All Fast Track Initiative €22 m in 2007; €5.6 m in 2008 and €4.5 m in 2009**. 21 out of 30 countries that

³ 2007-2008 call for proposals under 7th Framework Programme (FP7)

benefited from the Fund are in Africa. As part of its support (€1.45 m) to the International Task Force Teachers for EFA, the EC will also support a conference in Africa on Teacher policy issues with African Ministers of Education in mid-2010.

- The EC's involvement with the Association for the Development of Education in Africa (ADEA) has been revitalised, where it now stands as a steering committee member.
- At the regional level the partnership has agreed to support **collaboration in SADC and EAC on quality management of education** and linkage between **education and economic growth strategies**.

Energy

- **High level meeting on Energy** in Vienna on 20-21 April 2010 where EU Commissioner(s) and Energy Ministers, and some 10-15 Africa Energy Ministers are expected to attend
- At the continental level, the AUC and EC have agreed to work on **standardisation and integration of energy markets**. At the sub-regional level, the EC is supporting **integration of electricity markets in Maghreb** countries, as well as **access to energy services in Sub-Saharan Africa**.
- The EU – through instruments such as the Energy Facility, EDF, the EUEI Partnership Dialogue Facility (PDF), and bilateral instruments – is supporting support African countries' efforts to improve the **business climate for energy investments**, in areas such as development of appropriate tariffs, or regulations on Independent Power Producers.
- The EU is already working with some African countries to develop a **Mediterranean Solar Plan**. A Commission Communication on the Med-Ring for gas and electricity is planned for 2010. Major joint initiative to harness renewable energy will be launched with support from the EC and several EU member states.
- Some other concrete achievements of this partnership include:
 - (1) Integration of energy systems and markets: ex. Felou run-of-river hydropower plant (EIB, OMVS WB, support from EU – Africa Infrastructure Trust Fund).
 - (2) Energy Access: Actions in 13 African countries, benefiting 3 million people is currently being extended to supplying an additional 2.5 million people with sustainable energy services.
 - (3) Scaling up investments, mobilising private capital: the Emerging Africa Infrastructure Fund will be supported by KfW, DFID and Sida. The new ACP-EU Energy Facility will focus on renewable energy for access at local level
 - (4) Renewable Energy and Energy Efficiency: concrete projects include: Olkaria Geothermal Power Plants in Kenya, the ECOWAS Renewable Energy Center.

Climate Change:

- The **Joint Declaration on Climate Change** in 2008 has been a major achievement and has provided concrete opportunities for cooperation and dialogue in relation to the

UNFCCC negotiations in the run-up to Copenhagen. Joint Africa EU work has now to continue on the basis of the Copenhagen Accord in order to finalise an ambitious, legally binding **post-2012 agreement by the end of 2010 at the Cancun Climate Conference**. In this context work is underway to make the Accord promptly operational so to constitute the core of what should still be a new climate treaty. The overarching and most pressing priority in the post Copenhagen context is represented by **capacity development for Africa both in the mitigation and adaptation** strategic dimensions.

- Under the **Global Climate Change Alliance**⁴ initiative: **Mali, Mauritius, Mozambique, Rwanda, Senegal and Seychelles** have been identified for enhanced cooperation (2009-2010). Two other African countries are in the process of being selected for 2010.
- Pre-feasibility study for the **Great Green Wall of the Sahara and Sahel**⁵ was finalised in June 2009. AUC and EC prepared for follow-up action with support from FAO. **€ 1,4 M** earmarked in AAP 2010 ENRTP to assist countries for the second implementation phase of the Action Plan. The EC has also approved a contribution of **€ 9 M** from the Intra ACP in support of the **Africa Land Policy Initiative**

Migration, Mobility and Employment:

- Funding for the **African Remittances Institute (€ 1.7 m)** and for the establishment of **EU African Diaspora Network (€ 1.5 m)** have been made available.
- A **€ 3M** envelop now underpins the **Africa-EU political dialogue** on migration, mobility and employment.
- EC and AUC are initiating preparations for a **workshop on employment and decent work** issues. This could feed into a proposal for an African Labour Market System
- Establishment of **regional networks** (West and East/South) of experts in African States and interested EU MS on the **fight against human trafficking** is being reviewed.
- With the support of ECOWAS, France, Spain and the European Commission, the **Centre for Migration Management and Information in Mali** has been inaugurated in October 2008. The Commission is considering supporting similar initiatives in Africa. An operational **network of migration observatories across Africa** will become fully operational at the end of 2010.
- An identification study for the Commission contribution to the **Nyerere programme** is under way with a view of starting implementation in the academic year 2010/11.
- EC is also supporting programs fostering employment at the national level (e.g. Senegal).

Science and Technology, ICT and Space:

- On Science, EU will support research efforts focusing on **water and food security, and on better health for Africa (€63 m)**. The EU will also fund the **African Research Grants with €15 m**. The first continental African Women and Young Scientist Awards were given on African Union Day, 9 September 2009.

⁴ Communication on Building a Global Climate Change Alliance between the European Union and poor developing countries most vulnerable to climate change - COM(2007)540 and July 2008 Staff Working Document on the implementation modalities of the GCCA

⁵ This initiative consists of a set of cross-sectoral actions aimed at the sustainable management of natural resources.

- On Information Society, EASSy, a 10.000Km submarine fibre-optic multi-point cable system along the East coast of Africa, will be operational in 2010 (contribution from the **Infrastructure Trust Fund of €3.6 m**)
- The on-going **HIPSSA** project, funded through the 9th EDF (**€ 8,5 m**) aims at supporting harmonization of ICT regulatory frameworks in Sub-Saharan Africa.
- The EU will also fund the **AfricaConnect** project (**€ 12 m**) to support the deployment of regional research and education networks in Africa and their interconnection with the European GEANT network. The objective is to provide the African scientific community with better access to research and education resources and higher capacity transit to the Internet.
- The **African Virtual Campus project** (pan-African eLearning project) started to be implemented in **11 countries of West Africa** through an initial funding from **Spain**.
- The **ALICT** (pan-African ICT training) programme will be funded by **Finland** and implemented by GeSCI, the Global eSchools initiative (**\$ 3m**).
- **Luxembourg** will mobilise resources for the **AXIS** project, supporting the deployment of local internet exchange points through the Infrastructures Trust Fund (**initial contribution of \$ 4 m**).
- EC has provided support to the **e-Health Task Force** led by ESA and WHO (**500 k€**).
- On Space, the **GMES⁽⁶⁾** and Africa initiative is being pursued through the strong support by the EC and several EU Member States. This initiative aims at using **Space-based earth observation in support to sustainable development**, helping to manage the continent's environment, its natural resources and supporting crisis monitoring and humanitarian operations. A detailed **Action Plan should be finalized in time for the next EU-AU Summit in 2010**. This will be supported through regional workshops in Africa starting end-2009. Meanwhile, **€3 m** have already been made available.

Institutional cooperation:

- The AUC and EC are finalising an **action plan (2009-2010)** to cooperate more closely in the areas of **General Administration, Budgeting Planning and reporting, Communication, Control management** (Internal control system, accountability, risk management, etc), **Human Resources management, Crisis Management and security**.
- The two institutions have also put in place a programme of **exchange of officials** through short term secondments. Approx. **30 officials** have participated so far in this programme
- A **training seminar for AUC representatives**, focusing on EU budget, accounting systems, financial management and controls of the EU have been organized in 2009.
- A collaborative workspace has been developed as **an intranet-application** (as part of the JAES website) to facilitate document sharing and work of the iJEG.

- The **EU Delegation to the AU** plays a central role, facilitating the two-way communication and information flow. The Delegation also facilitates coordination and coherence of EU Member States' representations in Addis Ababa, and cooperation with international partners.
- **AU Delegation to the EU:** The AU has upgraded its Brussels Office to the rank of Permanent Mission to the EU and the ACP Group, and has aligned its structure to its extended mandate.
